“I took Rebecca's "Get Hired Now" class with excellent results. Her methodology elicited a concrete plan that not only kept me on track for the next step but also relieved much of the free-floating anxiety about looking for a new job. The phone sessions were timely and interesting, and I really appreciated having a small group to work with. I would definitely recommend her.” [Susan Lee-Merrow](#)

"You, Rebecca are part of what I consider the small cadre of professional career counselors in the Bay Area that offer high "bang for the bucks." I wish I could have taken the \$2k that my company spent last year with one of the national agencies and spent it with you. My job search would have been more successful at a much sooner date." **David McFeely**
