

Are you living a life or stuck in a career or situation that really isn't working for you? Maybe you are out of work or starting a new business in this difficult market. Are afraid to do anything different? Are you paralyzed?

Which means that you are often working long hours, have little time to relax, are stressed and disillusioned by a lack of enthusiasm for your life your career your search or all of the above.

Well, what I do is help you to re-discover your talents and draw out your dreams and values and then help make them a reality. I offer a three month coaching program for people ready to be passionate about their daily lives and careers.

Which means that I train, consult and coach in 8 key strategies, which my 20 years of career management and social work have proven can assist people in living the life they deserve.

The benefit of which is more energy, a sense of real satisfaction, a personal life that embraces the rewards and a new passion for their life and career.

The two other programs I provide are; The **Career Clarity Program** a 6-12 session program depending on your needs. **If you want to discover a career that incorporates your passions, skills and interests and fits your lifestyle, the *Career Clarity Program* will help you create the career options that fit who you are and how you want to live, creating a career around your values and your lifestyle.**

This program is for people who may not know what it is they want to do for a living but know it is not what they are doing now!!!

Group Programs:

Get Hired Now System: *Get Hired Now* is a 28 day complete job search system that can be done one-on-one or in a small group or teleclass. ***Get Hired NOW!*** is the proven complete job search system that teaches you how to market yourself as well as how to manage your job search as a project. It has everything you need to get your job search unstuck, make the best use of your time and energy, stay motivated in the face of rejection, and land the job you want!!!
