Competitive Resume Writing for Today's Challenging Market!
Yes You Can!

Is the market making you nervous? Is your company talking about cutting back and you are working more hours? You know you should get prepared "just in case" but where to start?

Or maybe you are already out in the market and slugging along worrying about the economy and the doom and gloom folks saying there are no jobs out there. Is it true? *

This is no time to be caught without a resume... a good competitive one for that matter! Here is the class that will show you what the pros know and what the hiring managers want.

Give me 2 hours of your time and I will tell you what is 'in' and what is 'out', yes the rules of the road change for resumes too. In just 2 hours we will talk about

- Format
- Clarity
- Accomplishment Statements
- Down playing your problems
- How to match your resume to their job description
- References that add value

And all for the low price of just:

\$67. for 2 hrs. class size 4-8

Follow-up group edit class for \$47. for a class size of 4-8

Then I will make available individual follow-up sessions to critique and polish your resume a

30 minutes individual \$75.

60 minutes individual \$147
